

# Gift of the Heart School Kits

By: staff

September 1, 2005

In some countries, children do not have books and school supplies. In an attempt to help this unfortunate situation, this year at CYC camp our children placed painted hand prints on over 500 canvas bags in the hopes that we would be able to fill them with donated supplies and send them to children in need. These “school kits” are the only educational supplies they may ever receive.

We are asking you to help support this philanthropic request by donating the following specific supplies. Please place all items in a plastic grocery bag along with an envelope of \$2.00 for shipping and handling. Kits will be collected starting on September 11 through September 30. A labeled collection box will be placed in the hallway adjacent to our library. For further questions please contact the IOCC coordinator of this project, Despina Horst, 410-686-8618. Thank you for taking time to help these special needy children.

## Supplies needed for EACH bag donated:

- 1 new pair of blunt scissors
- 1 new 12” ruler (30 centimeters)
- 1 manual pencil sharpener
- 6 new pencils with erasers (unsharpened)
