*2008 promises to be one of the most exciting times in the history of our parish. Over the last year, we have come to you and invited one and all to be a part of our future expansion project. To all the donors who have opened their hearts, we express our sincerest thanks to you. And it's never too late to join in this historic time. If you would like a one-on-one presentation explaining the scope of the project, please contact the Building Committee at 410-661-1090, ext. 508.*

*We have many opportunities still available to you to make a donation in honor of or in memory of a loved one(s).*

*Thank you for helping us to Build with Faith and with Love!*
